YOUTH CARD APP

The Youth Card functions as a free mobile app packed with meaningful discounts and unique experiences covering economic, social and cultural opportunities for 11-30-year-olds.

The Youth Card is powered by innovative technology to connect our communities of employers, ambassadors, schools and students to ensure immediate adoption and engagement tracking to ensure the right young people get the right opportunities.

Speakers for Schools is the European Youth Card Association (EYCA) Member for England, Wales & NI. This grants Speakers for Schools and its partners the sole right to distribute EYCA Youth Cards across the three nations. EYCA Youth Cards already provide 60,000 discounts and opportunities to over 7 million cardholders across 40 nations.
