RUN FOR SPEAKERS FOR SCHOOLS

We're looking for runners to run the Hackney Half Marathon on Sunday 22 May 2022 and raise money to support young people facing disadvantage.

By running for Speakers for Schools, you'll be raising vital funds to support young people to access transformational programmes that enhance their confidence and inspire and educate them around the world of work.

We're asking you to raise a minimum of £450 and in return you'll be provided with a branded running vest and support on your fundraising from our friendly team.

Ready to run? Want to hear more? Get in touch with the Fundraising Team or contact your account manager.
