

Student Feedback Form

For virtual and online talks

Hi! Thank you for attending the virtual talk today, we really hope you liked it.

We would love to hear what you thought about it so that we can improve the talks we organise in the future. It should take you 5 minutes to complete!

Also, just so you know, the questionnaire is anonymous, so your teacher or the school will not know what you've answered!

Based on what you find, fill in below:

The name of my school is...

I am in...

The name of my speaker is...

I thought the talk was:

Excellent	/	Good	/	Okay	/	Boring
-----------	---	------	---	------	---	--------

What did you enjoy most?

The talk would be even better if...

Circle any of the below skills that the speaker talked about in their talk

Did you learn about any other skills?

Do you feel more confident or knowledgeable around that skill(s)?

Thank you so much for filling out the form

and we hope you enjoyed the talk!
