NATIONAL TEEN BOOK CLUB

Seenit Activity Pack

Seenit

National Teen Book Club (NTBC) brings together 11 to 19 year olds from state schools and colleges across the UK in a shared, virtual book club. If you are an educator with students who want to engage more with our featured book outside of our live sessions, or with students who are behind with our reading schedule and feel less able to contribute to Book Club discussions, direct them to our website to explore our related resources or use this pack to guide them through our Seenit opportunities.

Seenit is a fantastic way for young people to practise communication and presentation skills and to represent National Teen Book Club (we may showcase their videos during our events)! Students need to answer questions with a video response according to the time limit, whether they speak to camera or, if they would prefer not to be filmed, through a video of their written words with/without audio.

Download the Seenit Capture app from [IOS](#) or [Android](#) app stores and sign up to get started!
