FIND INSPIRATIONAL TALKS

Ready to be introduced to some of the UK's most inspirational speakers? Featuring high-profile and influential professionals from the fields of business, politics, entertainment, sport and more, our engaging talks enable 11-19-year-olds to learn the secrets to career success, inspire confidence and help young people to imagine what they could be in the future... And succeed!

WHAT'S AVAILABLE?

Your school or college can apply to host an in-person talk with a VIP speaker, and students can [join live online broadcasts](#), or replay talks through our library.

New for 2024 – Industry Spotlight live & recorded talks: Offering insights into how a business operates, what they look for when recruiting, and the skills and qualities needed for the workplace.

WHY GET INVOLVED?

Hosting an in-person talk at your school with one of our high-profile speakers who has overcome adversity to reach a position of power and influence helps your students feel valued, raises their career aspirations, and provides the opportunity for them to participate by asking questions.

97% of educators would recommend a speaker from our programme to other schools and colleges, and educators who hosted a talk rated it as 4.6 out of 5 stars.
