EXPERIENCE THE POWER OF WORK EXPERIENCE

Through
100s of leading
UK employers

Our research proves that doing work experience leads to higher future earnings, boosts confidence and improves employability, but access is neither universal nor fair. That's where we come in... Our fully funded 3-5-day placements and introductory 3-5-hour Insight Days open doors to companies like Bentley Motors, Santander, the NHS, Boots and Virgin Atlantic.

1

SEEK OUT IN-PERSON PLACEMENTS

Spend 3-5 days 'on the job' at an employer's site doing engaging skill-building activities. Include insightful tours, presentations, face-to-face project work and Q&As.

2

UNCOVER VIRTUAL WORK EXPERIENCE

Our live fully interactive 3-5-day online placements can be accessed remotely from anywhere in the UK. Include presentations, project work and employer Q&As.

3

FIND HYBRID OPTIONS

We also offer placements that combine an element of face-to-face with an element of online work experience. Making them both accessible and flexible.

WATCH & LEARN!

See the power of work experience by watching our short video.
